

EIGHTEENTH SPE IMPROVED OIL RECOVERY SYMPOSIUM

Improved Oil Recovery

Issues and Options in an Uncertain World

14-18 APRIL 2012
RENAISSANCE HOTEL
TULSA, OKLAHOMA

What Exhibiting Does for You

The Society of Petroleum Engineers is committed to creating the best possible environment for the dissemination of technology business to business. As an exhibitor you are exposed to key decision makers and potential clients. By participating in the exhibition, you have the opportunity to:

- Introduce new products, services, and marketing messages
- Showcase your company's products, services, and advanced technologies
- Acquire valuable sales leads and customer feedback
- Provide hands-on and interactive presentations/demonstrations to potential clients and current customers
- Interact one-on-one with customers and prospects
- Establish and reinforce your marketing message and relationships with key buyers

Your Exhibit Investment Includes

- Standard booth equipment, 8-ft. high draped backwall, 3-ft. high draped side rails, 7" x 44" identification sign
- One six ft. draped table
- Two chairs
- Company name and description in Final Program
- Two complimentary exhibitor registrations per 100 sq. ft. of exhibit space which includes the Monday luncheon, and Monday and Tuesday social events
- An allotment of complimentary day passes for the exhibit hall

How to Exhibit

Space Rates: U.S. \$2000.00 per booth. Space is 10' x 10' (minimum reservation is 100 sq. ft.)

- Review the Contract Terms and Conditions and Exhibit Regulations
- Select your preferred booth location(s)
- Download, print, complete and sign the Exhibit Space Reservation Contract
- Mail the Contract with total payment to:
